

OMRON

PackXpert Solution

COMPLETE PACKAGING SOLUTION

Flexible, Easy, Complete

The Omron PackXpert Solution brings together our complete line of robotic automation products into a single, fully integrated packaging system.

With PackXpert, you'll save time, lower costs and reduce the complexity of your packaging line.

Evaluation

Helps you rapidly evaluate equipment and ROI

Easy to follow Wizard-based UI

Re-use all emulation elements for commissioning

Commissioning

Built-in routines for vision, robots and motion

Switch between emulation and production modes for easier troubleshooting

Vision

Optimized to **work together**

UNDER A SINGLE POINT OF CONTROL

Motion

Robots

Changeover to **new product**

Changeover

Integrated product changeover tool

Simplifies training and operation

Save **time** and **money** across the entire process

FROM DESIGN TO IMPLEMENTATION TO PRODUCT CHANGEOVERS

Increase Flexibility

Keep up with rapidly changing market demands. Omron PackXpert Solution simplifies the changeover process to put you in control.

Ideal for:

- Food & Beverage
- Cosmetics
- Pharmaceuticals

Manage your packaging line on your own with an intuitive, graphical interface.

Total Control

Built-in algorithms allow you to balance your production line and optimize flow rates.

No programming skills required.

Fast Product Changeovers

Recipe Manager lets you configure the line for multiple products and switch between them with the click of a button.

Simplified and accessible operation means **lower total cost of ownership.**

One Company, One Solution

Omron products make it easy to automate. Each of our components work together out-of-the-box, and combined with the powerful PackXpert software they become a fully-integrated system that can be customized to your application.

Global Collaborative Network

Robotics Expertise and Machine Automation Support provided by a **unique global team.**

40 COUNTRIES

150 LOCATIONS

3000 APPLICATION ENGINEERS

Planning.
Implementation.
Support.

Omron is ready to help you every step of the way, anywhere in the world.
